

On behalf of one of our customers we are looking for a highly professional

Interim
position

CRO Portugal (m/f/d)

Our customer is an internationally operating company in the development, production, installing and servicing of hard and software products for the intralogistics of manufacturing companies. The mandate shall commence as soon as possible, the duration of the project is between 1 and 1.5 years, of which 5 days are on site in Portugal.

The challenge:

Interim position / Portugal

- Lead and manage the overall inhouse restructuring project
- Improve and implement the existing restructuring plan and realize savings
- Own all critical milestones of the project and assure agreed measures are accomplished
- Lead cross functional, partially virtual internal & 3rd party teams to deliver into agreed action steps in order to assure successful accomplishment of set objectives
- Monitor progress & performance of all stake holders, escalate potential risks
- Compulsory attendance at 5 days a week on company site in Portugal

You offer:

- Degree in Business Administration / Project management or equivalent in work experience
- Senior in corporate restructuring projects, experience in consulting is welcomed but not necessary
- Technical experience in material handling and storage applications (is an advantage)
- Maturity, a strong personality and profound analytical and leadership skills
- Strong & convincing communication; motivating others to perform and solution focused
- Fluent English skills, Portuguese is an advantage

We offer:

- Attractive salaries (daily rates and conditions)
- Fair and cooperative contracts
- Continuous support through Aurum Shadow Management
- Integration into the Aurum Partner Network
- State-of-the-art know-how in the Aurum Academy
- Open and straight communication to the customer and all stakeholders
- Database of tools and methods as well as Aurum Professional Assistance

Interested? We look forward to receiving your online application.
